

Girard Systems, a leading manufacturer in RV awnings, is coming to Red Bay, Alabama! We are proud to announce that we will be opening our new production facility and RV park this Spring at the West Franklin Regional Industrial Park in Red Bay, Alabama. We are now accepting applications for all positions including Assemblers, Shipping/Receiving, Service, Parts, Receptionist, Janitorial, Rackers, Fabric Assemblers, Sewing Machine Operators, Drivers, Warehouse Personnel, and Grounds Maintenance. Girard Systems is an equal opportunity employer and provides great benefits and a stable working environment. Experience is helpful but not necessary since training will be provided for particular positions. Applications are available at Red Bay City Hall or available to obtain through email by contacting gordoncallbeck@girardrv.com.

COME BE A PART OF THE GIRARD TEAM—YOUR FUTURE IS WAITING!
